# Ten Point Plan for a **Safer** Oakland

A comprehensive plan aimed at promptly addressing and eliminating the crime crisis gripping our beloved city.

Presented by  
Greg McConnell, SOS Oakland

## **SOS Oakland**

### **Article I, Section 1 of the California Constitution declares the rights of Californians.**

All people are by nature free and independent and have inalienable rights. Among these are enjoying and defending life and liberty, acquiring, possessing, and protecting property, and pursuing and obtaining safety, happiness, and privacy.

## **SOS Oakland**

This guarantees Oakland residents and people doing business in the city the right to be safe from all crime including murders, violent assaults, rapes, hate crimes, burglaries, home invasions, carjackings, auto break ends, smash and crabs, mob thefts, and any other form of crime against a person or property.

## **SOS Oakland**

To ensure these rights, SOS Oakland demands that the Oakland Mayor and City Council, City Administrator, Oakland Police Department, and all elements of Oakland government with jurisdiction over protecting the citizens of Oakland, take immediate action to eliminate the crime crisis that grips the city.

---

We promote this plan because we are convinced that if Oakland does not solve its public safety crisis, it will not remain a viable city where people want to live or do business.

# Ten Point Plan for a Safer Oakland

## **Increase the Oakland Police Force**

to a minimum of 1,000 officers so that there is adequate coverage to make the city safe.

## **Provide mentoring, job training, & more jobs**

so our youth have alternatives to criminal life.

## **Fully staff 911 & improve the system**

so residents can get help when they need it.

## **Enforce**

Oakland's criminal laws.

## **Install security cameras**

& license plate readers to monitor businesses and improve safety in surrounding neighborhoods.

## **Reinstitute community**

policing and emphasize foot patrol officers.

## Secure ongoing support

from CHP for patrolling Oakland's highways.

## Secure support

from Alameda County Sherriff's office to assist Oakland Police Department.

## Utilize civilian staffing

where appropriate so sworn officers can focus on city safety.

## **Institute city-wide campaigns**

to encourage people to gather in their neighborhoods and reclaim their city.

# **SOS Oakland**

We the undersigned support this ten-point plan and urge our leaders to adopt it.
